

Blenheim 7k 2018

Would you like to take part in this 7km/4mile event and raise money for I.M.P.S. at the same time?

There is a junior 1 mile race and the opportunity to take part in a schools challenge. Why not organise your class to join the schools challenge and raise money for I.M.P.S? As the cost of entering covers entrance to the grounds for the supporters too, bring a picnic and enjoy the day.

When you enter remember to click I.M.P.S. as your charity and let us know you're running for us. We can help you set up a just giving page and support your efforts (email us at imps@ouh.nhs.uk)

Click [here](#) or on the image for more information about entering the event on Sunday April 29th.
