

**Fundraise**

**I.M.P.S. Quiz**

**Emergency Department  
computer tour**

Dear School Councillors,

We hope you enjoyed your I.M.P.S. session today and that you are returning home with lots of new knowledge and skills.

I.M.P.S. has not charged you for your training, (although you may have been asked for a contribution towards transport by your school). Currently I.M.P.S. costs £8.00 per child just to run the visit and it is becoming more and more difficult for us to cover this cost.

We very much want to be able to continue offering free I.M.P.S. sessions so that your younger brothers, sisters and friends will be able to attend when they are in year 6.

We are writing to ask for some help from the children in your school. We know you will have loads of ideas for schemes to raise some money. In the past schools have organised cake sales, non uniform days, bring and buy sales and sponsored events. We would be grateful if you could ask your school council to organise an event to raise money for I.M.P.S. This money would go directly towards funding the visit for your school's year 6 next year.

Please ask your teacher to send the money to the I.M.P.S. office. You can download a poster from the website at [www.impsweb.co.uk](http://www.impsweb.co.uk) on the Oxfordshire information for schools page which you can use to advertise your event.

We hope you have fun organising and running your event and we will send you a certificate to display in your school as a thank you for your efforts.

Now you are back at school, there are lots more I.M.P.S. activities to do. (Your teacher has been emailed all the details)

- Please remind your teacher that year 6 need to do the I.M.P.S. quiz again - this time log on with the username your teacher was given during the visit.
- We would also love you to try the emergency department computer resource and follow three children around the department to see what treatment they receive. The username and password have been emailed to your teacher but they can also get the details from the I.M.P.S. office.

Yours sincerely  
I.M.P.S. Trainers.
